SPRINGFIELD

P2 Collection introduces Springfield, a modern wood looking porcelain collection with five colors and three different surface finishes to adapt to all styles and decorative needs.

New high gloss polished porcelain for an elegant, luxurious twist to traditional wood looks. Natural finish, for traditional soft and satin ever lasting wood look. And anti-slip finish for exterior use or wet areas. Total versatility in this 8"x59" rectified porcelain plank wood tiles manufactured with the latest ink jet technology in Spain.

Designed and Produced in Spain

With the highest quality standards in production and design, a sustainable manufacturing process with care for the environment.

P2 Collection includes the trendiest looks in the market with unique finishes for a one of kind product, a perfect solution for all your specification needs.
